

NYALGRO Records Management Education Scholarship - 2017

1. Intent of the Scholarship - One of the goals of the New York Association of Local Government Records Officers (NYALGRO) Records Management Education Scholarship is to encourage students to pursue academic training in the records management field and encourage individuals already working in the records management field to pursue advanced training in the records management field.

The scholarship will be awarded annually to:

- A. A student who has been accepted into or is currently enrolled in a Library and/or Information Science graduate degree program in New York State, and who is interested in pursuing a professional position in the records management field or

- B. An individual currently working in the records management field who is interested in pursuing advanced online training in the records management field from the Association of Records Managers and Administrators (ARMA).

NYALGRO, the New York Association of Local Government Records Officers, is a non-profit organization formed to provide a network to all who are responsible for records upkeep and information management for local governments, such as, towns, counties, cooperative extensions, cities, fire districts, school districts, villages and BOCES. NYALGRO is a proven advisory network for the development of sound records and information management programs.

2. Amount of the Award – The amount of \$1,000 will be awarded annually to a qualified Library and/or Information Science student or a qualified individual as described above. A check will be sent directly to the ALA-accredited library school where the applicant is currently enrolled to be applied to the next term of study or sent directly to ARMA.
